

Great news for our Anderson School District One families! **All students (face to face and Virtual Learning Academy) will be eligible for free meals through December 31, 2020, or until the congressional funding has been exhausted. Beginning Thursday, September 10, 2020 - Free meals to all children 18 years and younger, even if they are not a registered Anderson School District One student.**

Meals will be available for pick up on all school days from 11:00-12:00 at Palmetto Middle School, Wren Middle School and Powdersville Middle School. There will be a Student Nutrition Services team member at the front entrance of the school for car line pick up only. These meals will be pre bagged lunches for the day of pick up, and a bagged breakfast for the following school day.

You will not need to leave your car for the pick up of any meals, and the child does not need to be present in order to receive the free meals. Our Student Nutrition Services team member will ask for the child's name and the name of the parent/guardian picking up the meals for our required documentation to the SCDE.
