

Anderson School District One

A Tradition of Excellence

LOCAL OPTIONS SALES TAX (1 PENNY)
FOR EDUCATION
PROPOSED PROJECTS

The goal is to reduce property tax and debt service and provide school improvement funds.

The 2014 SC Education Capital Improvements Sales and Use Tax Act requires any district to use 10% of the 1 cent proceeds to reduce property taxes by offsetting the existing debt service millage levy on general obligation bonds; the Anderson One Board of Trustees has chosen to use even more of the proceeds – 20%!

- **HIGH PRIORITY: Safety and Security Enhancements**, to include access doors, additional cameras, entryways, fire alarms, and communication equipment
- **Technology Hardware and Instructional Software** to be updated district wide to sustain the *Digital Innovation* initiative
