

Dear Student,

We welcome you to Palmetto Middle School. We are very excited and eager to begin the 2019-20 school year. You will be offered many challenging and stimulating opportunities for success through academics and extracurricular activities. How you benefit from these opportunities will mostly depend on you. We encourage you to get involved in every part of the school program, because the more involved you become, the greater your rewards and enjoyment will be. It is our desire for every Palmetto Middle School student to become a productive member of society as outlined in the "Profile of the South Carolina Graduate." As a result, we will do everything in our power to help you through this growth process.

You will be assigned to a group of teachers who will be responsible for teaching you the core academic subjects. Your core content teachers will have a common planning time for conferring with you or your parents and for planning the best instructional opportunities for you. You will also benefit from a variety of exploratory courses in the arts, technology, leadership, foreign language, etc.

Teachers will have decision-making power, flexibility, and creativity in planning their academic programs. They will provide exposure to new and exciting ideas in a variety of environments with different instructional strategies. Although each teacher will have his/her own instructional delivery/design methods, each content area will have identical assessments on each grade level. The teachers will create these assessments in collaboration with one another. Palmetto Middle continues to build on a tradition of excellence and we are proud that you will be a part of making 2019-2020 your school's best year ever.

"Forward we will go!"

Jason McCauley, Principal
Matthew Crawford, Assistant Principal
Nathan Croston, Assistant Principal

WHAT DO YOU STUDY?

- *Core Academic Courses*

Science

Social Studies

- *Exploratory Courses*

These courses are available at designated grade levels on a semester or full-year basis: art, band, strings, chorus, robotics, math lab, Gateway to Technology, keyboarding, digital learning, computer science, Spanish, weightlifting, physical education/health, ProTeam, group dynamics, and CLC.

STUDENT DISCIPLINE

Student discipline is governed by a *Demerit Code of Conduct*. A copy of this can be found on the school's website. This document will have been signed electronically through the registration process. Students and parents should note that not all disciplinary infractions will be dealt with through the issuing of demerits. The administration reserves the right to impose other consequences which are reasonable and consistent with the school's goals for student behavior.

PHYSICAL CONTACT BETWEEN STUDENTS

A general "hands off" policy is in force with regard to physical contact between students. Such things as hitting, shoving, punching, slapping necks, etc. will not be tolerated. Public displays of affection are also considered unacceptable in the school setting. Consequently, embracing, kissing, holding hands, etc., will not be allowed at school or during school-related activities. Students who engage in physical contact will face disciplinary consequences.

POSSESSION OF WEAPONS

The possession of any type of weapon at school is a clear violation of both school board policy and South Carolina criminal law. Students should never bring any item to school that could possibly be considered a weapon. This would include knives, firearms, razors, etc. The typical punishment for possession of a dangerous weapon is expulsion from school. Criminal charges may be brought against students for weapons violations.

If a student realizes that he or she has accidentally brought any type of weapon to school, a teacher or staff member should be informed immediately.

DRUG DOGS & METAL DETECTORS

Drug dogs will be used periodically on campus during the school year in accordance with board policy. Random scans with hand-held metal detectors may be performed on an unannounced basis.

DRESS AND APPEARANCE

All students at Palmetto Middle are expected to dress in accordance with school dress code and to be groomed in accordance with acceptable standards of cleanliness. All clothing must be worn according to its designed purpose. (For example, overalls should have straps up, and pants must be pulled up to the waist.)

The following items may **NOT** be worn at school:

- Bandannas, headscarves, hats, hoods, sunglasses, etc., inside the buildings
- Mesh or "see through" garments as well as form-fitting apparel of any kind
- Spandex or leggings may be worn but should be covered to mid-thigh.(e.g. shirt, etc)
- Skirts, dresses, or shorts that do not reach below the fingertips when the arms are dropped at the sides. (This also applies to the tops of all openings, slits, splits, etc.)
- Blue jeans with holes above the knees will be addressed in the same fashion as shorts, dresses, and skirts
- Blouses, dresses or shirts, which expose any cleavage or areas of the stomach, chest, side, or back. (Tops must reach the waist and be at least the width of three fingers at the shoulders. Sleeveless garments must fit snugly under the arms.)
- Items of jewelry or clothing that pose a concern for health and safety or are considered to be a distraction within the school environment (this includes but is not limited to: spiked bracelets, wallet chains, fish hooks on hats)
- Clothing, articles or other items which advertise, depict, or suggest alcohol, tobacco, drugs, weapons, or sex are prohibited. Any clothing that is profane or divisive is also prohibited. Clothing, articles, or other items which display symbols, messages or statements which would distract others, interfere with the instructional programs, or otherwise cause disruption are prohibited.
- The outermost layer of clothing must cover all underneath layers of clothing

In the event the administration determines a student's dress is inappropriate for the school in accordance with this policy, the administration will inform the student not to wear the garment to school again and will either require the student to correct the violation or face disciplinary action.

NOTE: The administration of Palmetto Middle School will make the final judgment on the appropriateness of student clothing, appearance and/or display of symbols, messages or

statements on school grounds and reserves the right to prohibit students from wearing articles of clothing or other items or displaying any symbols, messages or statements which lead to or may foreseeably result in the disruption of or interference with the school environment.

COMMUNICATION DEVICES

The administration of Palmetto Middle School recommends that students do not bring personal communication devices to school. As a result, Palmetto Middle will not devote time and resources to recover lost or stolen personal devices. However, a student **may** possess personal communication devices (i.e. pagers, cellular telephones, etc.) while on school property and will be given opportunity to store those devices in lockers in accordance with board policy. Such devices may not be operated on school buses or on campus during the school day. During those times they must be turned off and stored in lockers. These devices may be operated on campus before and after the regular school day (i.e., 7:45 a.m. to 3:00 p.m.) An electronic, abbreviated copy of the board policy regarding possession/use of communication devices will be signed by parents during the registration process. District-prescribed penalties for violation of the policy are stated in that handout. Copies of the full policy are available on request.

PROHIBITION AGAINST RECORDING STUDENT DISRUPTIONS

Any participation in a major disruption that places students, staff or the educational process at risk, or that results in destruction or damage to public or private property or causes or potentially causes personal injury to participants or others are strictly prohibited and may be deemed a level 2 or level 3 offense, as appropriate. Participating in a major disruption includes inciting, leading, encouraging, or promoting a major disruption through video recording of an altercation or fight. Students are prohibited from using electronic devices to capture, record, or transmit the words (i.e. audio) and/or images (i.e. pictures, video) of any student, staff member or other person in the school or while attending a school-related activity without express prior notice. Using an electronic device to take or transmit audio and/or pictures/video of an individual without his/her consent is not permitted and will be considered a serious offense, which will result in disciplinary action consistent with board policy, which may include, but is not limited to, temporary removal from class, placement in an alternative education program, in-school suspension, out-of-school suspension, transfer, referral to an outside agency, expulsion, restitution of property and damages, and/or confiscation of the electronic device. If the electronic device is confiscated, it will be released to the student's parents/legal guardian only after the student complies with any other disciplinary consequences that are imposed. Electronic devices in district custody will not be searched or otherwise tampered with unless school officials reasonably suspect that the search is required to discover evidence of a violation of the law or other school rules. Any search will be conducted in accordance with district policy. If multiple offenses occur, a student may face additional disciplinary action consistent with board policy and will lose his/her privilege to bring an electronic device to school for the remainder of the school year.

TARDY POLICY

The academic day at Palmetto Middle School begins at 8:00 a.m. Students are expected to be seated in homeroom class by that time each day. Those who arrive at homeroom after 8:00 a.m. will not be admitted without a Tardy Pass from the front office. Repeated tardiness will result in disciplinary action. The school's tardy policy will be issued to students the first day of school.

*Tardies start over each semester

EARLY DISMISSAL

Parents must come to the main office at the time of early dismissal to sign students out of school. Early dismissals are counted as absences from class.

ATTENDANCE

The South Carolina Compulsory Attendance Law sets the standard regarding school attendance. Written notification of a mandatory attendance intervention conference is sent to parents when a student has three consecutive absences or a total of five unexcused absences. School officials and parents are required by law to develop an intervention plan in an effort to decrease student absences. Students are expected to bring a written excuse on the first day back from an absence. All excuses must be submitted as soon as possible upon return to school from an absence. Habitual absences, lawful and unlawful, will be referred to the Attendance Office of the Anderson County Board of Education.

Regular attendance is essential if students are to be successful in school. Legal excuses include:

- Parent note which accounts for the absence. **(Maximum of five per year. Additional parent notes will count as unexcused absences.)**
- Personal illness of the student with a doctor's excuse.
- Death in the immediate family.
- Observance of a religious holiday.

Perfect attendance is defined as "No absences, tardies, or early dismissals from school the entire school year" and faithful attendance as "Two or fewer absences, tardies, or early dismissals combined for the entire school year." The county board presents a Perfect

Attendance Award and Faithful Attendance Award to students who qualify. (Anderson County Board of Education)

MAKE-UP WORK
