## Wren Middle School VLA SCReady/PASS/EOC Testing Dates

All testing will take place in our media center. We will begin testing at 8:30 am each day. Please have students arrive with a fully charged iPad each day. Once students arrive, they will check-in with Ms. LiBrizzi in the main office. Students will need to wear their mask throughout the duration of the tests. We look forward to seeing your child on their designated testing day. Please contact Wren Middle School with any questions.
